WORKSHOP:
Improving
Interactions
in Play **by Kym Scott**

Kym Scott's Two-Part Course for Learning Assistants

These sessions are geared towards Learning Assistants working with children aged 2 - 5 but will also be useful for those working with older children in play-based environments.

Throughout two workshops, participants will be taken through a clear and comprehensive journey, where the features and stages of a high-quality interaction will be unpicked, exemplified, and captured in an easy-to-remember format
